SEPTIANATA RIZKY PRATAMA

Full-stack Developer

Sleman, DI Yogyakarta I Email: ian.rizkypratama@gmail.com

SUMMARY

I am a full-stack developer with over 5 years of experience, proficient in Java, PHP, and JavaScript. Expert in developing web applications and REST APIs using Laravel, Express.js, and Next.js. Recently completed a successful project: www.artopologi.com. Really excited to learn new things and enjoy collaborating and working together as a team.

EXPERIENCE

Artopologi – Jakarta, Indonesia

Full-stack Developer – Remote (July 2022 – present)

- Developed REST API applications to manage e-commerce platforms using Express.js on Node.js.
- Developed web applications as the main interface for whole user using Next.js on Node.js.
- Designed and implemented database designs using MySQL.
- Prepared API documentation using Postman and OpenAPI.

Remote Worker Indonesia – Yogyakarta, Indonesia

JavaScript Mentor – Remote (May 2023 – saat ini)

- Developed a roadmap for beginners to become backend developers.
- Created tutorial materials in video and text formats based on the roadmap, covering topics like JavaScript, Git, Node.js, and more.
- Conducted live coding sessions for discussions and Q&A with members on the material.

Beone Optima Solusi – Tangerang, Indonesia

Backend Developer – Remote (October 2021 – May 2022)
